

Becoming a WebBrochure Affiliate

MyWebBrochure.com

Stationery for the Web

Anyone who has purchased a MyWebBrochure is automatically an affiliate. But in order to collect a commission for finding a paid customer there are a few things you must agree to:

- 1 Keep your member profile up to date.
- 2 Have an active PayPal® account*.
- 3 Display the Powered by MyWebBrochure icon/button on your WebBrochure. This button contains your member identification. The only way we recognize that a customer came from you is if they click on it to purchase a WebBrochure*.
- 4 Make sure your customers go to your site first to click on the Powered by MyWebBrochure.com. This also helps build traffic on your WebBrochure.

Once a customer has completed their transaction you will be notified by email that a customer has purchased a WebBrochure and that funds will be transferred to your PayPal® account at the end of the quarter (See the affiliate page on the MyWebBrochure.com website for more details).
