

# MyWebBrochure.com

Stationery for the Web

Not everyone is ready to spend time maintaining a full website. A WebBrochure can be one screen of your information that delivers your message - Straight to the Point. Whether it's selling a single part, a couple of homes, or a political position, MyWebBrochure is your call to action. Pick a theme and start typing. As soon as you

log-off your administration screen your WebBrochure is updated and available for everyone to see. There's no computer language and no special program with hundreds of options to learn. If you can navigate the Internet you have all the skills you need to make and update your WebBrochure.

What makes MyWebBrochure so unique? It's your Domain Name. Many websites make you use their website and add your pages to them. (www.theirwebname.com/yoursite) It's your website. You have total control. Change your mind! Want to go from an WebBrochure to a full website - go ahead. No Restrictions. Want to grow into the next eBay or Google; there's nothing stopping you. Need a bunch of email accounts - they're yours.

MyWebBrochure lets you collect names and e-mail addresses. All our features can be turned on or turn off - anytime, anywhere. Let your viewers update their email address or unsubscribe. MyWebBrochure takes all the hassle of uploading and downloading your email lists to a single click of your mouse. Use popular programs like Microsoft® Excel to edit your lists. Whether you're a small business owner looking to attract new customers, a politician campaigning for an office, or you need to promote a cause, MyWebBrochure can put the power of a making contacts in your hands.
